## C. Background and Purpose

Directorate General of Training (DGT), Ministry of Skill Development & Entrepreneurship (MSDE) is responsible for co-ordination of all Skill Development efforts across the country, removal of disconnect between Demand and supply of skilled manpower, building the vocational and technical training framework, skill up gradation, building of new skills, and innovative thinking not only for existing jobs but also jobs that are to be created.

Industrial Training Institutes (ITI) are training institutes which offer range of vocational /skill training courses covering a large number of economic sectors with an objective to provide skilled work force to the industry as well as self-employment of youth. The training courses have been designed to impart basic skills and knowledge in the trades so as to prepare trainee for employment as a semi-skilled worker or for self-employment.

To bridge this disconnect between ITI trainees' learning outcomes and the industry requirements, the Ministry of Skill Development & Entrepreneurship (MSDE) introduced the scheme "Dual System of Training" (DST) w.e.f. August 2016 session. Objective of DST scheme is to enable industries and establishments to partner with Government and Private it is for conducting training programmes under high employability courses so as to fulfil their skilled manpower requirements. The DST is an amalgamation of theoretical training imparted through ITIs and practical training imparted through the Industry. DST helps enable Industry linkages and provide hands on experience to students on industries latest/updated technologies.

Under the DST scheme, the courses are conducted to meet the skilled work force requirements of Industry so that after completion of training, the trainee who are awarded National Trade Certificate (NTC) under the

Scheme have an edge over regular ITI pass outs in terms of employability and employment opportunities in Industry. It is may conduct courses under DST scheme in:

- i. Vacant units i.e. vacant batches against which no enrollments have been done.
- ii. Convert existing unit(s) of regular CTS trade with DST based on availability of candidates willing to enroll under DST and Industry Partner.
- iii. Third shift, if permissible in the State. However, it has to be uploaded on the portal with concurrence by DGT. If a third shift unit has been started under DST without undergoing full affiliation process, then in future such units would be used for DST only.

**D. Admission details:**

The admission of the trainees for the scheme shall be common i.e. with Craftsmen Training Scheme (CTS) in to regular ITIs. Upon selection of trainees/batches by the Industry Partner, DST flag would be enabled in DGT MIS portal for those trainees. For each student, the name of Industry Partner(s) along with planned duration of training in Industry(s) should also be uploaded on the portal.

The ITI must ensure at the time of admission that trainees opting for DST are aware of the Industry expectations in terms of eligibility, minimum age, physical fitness, discipline, timings, punctuality and necessity to fulfill such criteria as per industry requirements.

**E. Duration of Training**

Over all duration of training shall be as per the course curriculum. The duration of Industry Training and ITI Training shall be as per DST guideline as below:

S. No	Duration of course/trade	Duration of industrial exposure/training (as per previous guidelines)	Duration of industrial exposure/training (as per revised guidelines)
1.	6 months	Not defined	1-3 months
2.	1 year	5 months	3-6 months
